"Better detour inland if you're going far. The fog's getting thick back there. Driving's going to be had before long."

Better detour inland if you're going far. The fog's getting thick back there. Driving's going to be had before long."

Better detour inland if you're going far. The fog's getting thick brought the car slowly to a stand-ground, black, ragged rocks thrusting out of the water, and sprawlars acres of land.

For a moment she sat listening. every nerve alert. There was not twisted, shattered wreckage of a all indebtedness secured by said She smiled, and the cream-col-

Built Up Strength strength, and it helped me so to her ears against the grinding long private road, the agent had tained in said mortgage, between much."

Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

To her ears against the grinding long private road, the agent had admitted. She had named it altameted the legal hours of sale on the 26th ready. (Trail's End. She liked the blank and empty. She pulled her sound of that. Remoteness. Safety.

"Thanks; I'll remember."

She smiled, and the cream-colored roadster slid past him. Fog, and dangerous driving along the coast. It was so very simple. She had been up and down this road a score of times since the new roadster had been hers. She knew its curves, its grades, its ragged coast line. She knew, now, where she was going. The speed-ometer needle crept a little higher. A road appeared, branching obliquely from the main highway.

A road appeared, branching obliquely from the main highway.

She smiled, and the cream-colomur of the sea below. Eyen though fog might muffle distant sounds, tit was news. There had been several columns about it. Reports, interviews. A motor-cycle policeman had testified to meeting a young lady in that same roadster and warning her about the thickening fog. No, there had been nothing in the young lady's manner to indicate suicidal intent.

One thing had puzzled her bad-lty. There had been all this about to be done. She would miss it, too.

There was no time to be wast

# What "Rights" Has a

Can he demand explanations from his wife? Or has she a "right" to resent his doubt?

Undercover fire more often kills than wounds. The victim, unaware of the true position of his antagonist, stages a futile defense.

Three women loved Barry Duane. Three women struggled for their happiness. And not all fought openly. Through a turbulent season of misunderstanding and revenge they were rushed to a dramatic climax rare in recent fiction.

You cannot afford to miss this appealing story by Agnes Louise Provost, her first since her best-seller HONEYMOON WIFE.

STARTING THIS WEEK in THE ELBA CLIPPER
